

Cristo Rey Atlanta Jesuit High School Student Scholarship Program

How the Program Works

The Student Scholarship Program pairs students and sponsors. As a Sponsor, you will be matched with a freshman student from whom you will receive periodic correspondence and follow along his or her path as the student works toward graduation and college. Past scholarship sponsors have enjoyed getting to know the students. Sponsors found joy and encouragement in their correspondence while being reminded of the importance of Cristo Rey Atlanta Jesuit to our community. It's a great way to see the impact of your support firsthand.

Filling the Gap

The cost to educate each student at Cristo Rey Atlanta Jesuit is approximately \$15,000 per year. Students typically earn the bulk of that cost themselves (about 65%) working in internships across Atlanta via the Corporate Work Study (CWS) Program. Unfortunately, next year, and perhaps beyond, the CWS Program will be significantly impacted due to the COVID 19 crisis and a reduction in revenue is expected. Many companies are not able to hire and financially support students in the same way they have done in the past. Usually there is a gap of almost \$5,000 per student, but in the coming year, the gap will be more. Together, we can close the gap through the Student Scholarship Program. Our goal is to pair each of our students with a Scholarship Donor who commits to closing the "gap".
