NEWS HEADLINES

Rollins gift to establish urgent care center for Winship cancer patients

Patients who turn to Winship Cancer Institute of Emory University (Winship) for comprehensive cancer care will soon be able to rely on it for oncology-related urgent care as well. The Ma-Ran Foundation has made an investment of \$7 million to establish the Rollins Immediate Care Center of Winship that includes an endowment of \$3 million. The endowment's distribution will provide funding for a variety of research projects and programs for cancer patients. The Rollins Center is expected to open in spring 2022. Cristo Rey Atlanta raises \$200K for student scholarships

Cristo Rey Atlanta Jesuit High School's 6th annual President's Cup Golf Tournament held on March 29, 2021, at Capital City Club in Brookhaven raised \$200,000 for student scholarships. The money raised supports the private, college-prep education of 550 high school students from underserved populations. Since 2015, the golf tournament has raised more than \$950,000 to help cover the gap between the income earned from the school's Corporate Work Study program and the cost to educate the students. (Press release, 04/08/2021)

Leadership Atlanta, LEAD Atlanta community project applications open

Nonprofits interested in applying to be part of a Leadership Atlanta or LEAD Atlanta Class of 2022 Nonprofit Community Project and which have an operating budget between \$2 million and \$10 million can now apply for the Leadership Atlanta (core, executive level program) project. Part of the Class of 2022 program curriculum are service learning projects with local nonprofit organizations. These small group Community Leadership Project teams work collaboratively on a strategic project over the program year. More information on the Leadership Atlanta projects can be found [here](#). Nonprofits with an operating budget of under \$2 million can apply for a LEAD Atlanta (the young professionals program) project. More information on the LEAD projects are linked [here](#).
